

## Gluttony Prayer

"Father God, I come to you in the name of Jesus, and I acknowledge the work of sin in my life and in my family tree. I recognize and confess my sin and the iniquities of my forefathers to you.

I take responsibility for these sins and iniquities. I want the work of sin in my life to be broken today!

I repent for participating in the sins of gluttony, PPD, idolatry, and altered state of consciousness, and I ask you to forgive me for allowing these sins to manifest through me and I renounce them now.

I release myself from this behavior and thought life.

I ask that the curse of these sins of idolatry gluttony, PPD, and altered state of consciousness, and ask that the disease in my life or the inherited iniquity of these sins through my family tree be broken NOW in Jesus' Name.

I take responsibility, and renounce them right now, in Jesus' Name.

I thank you Father for your forgiveness and restoration in the name of Jesus!

“By the authority of Jesus Christ of Nazareth, and spirits associated with addiction, Unloving fear, altered states of consciousness, lying spirits - join hands now I call you up, and out now In Jesus' Name, by the power of His Holy Spirit, Leave now and Go!

I thank you Father for your forgiveness and restoration! In the Name of Jesus Christ of Nazareth, I release you now from the Need to be Loved, I release you to be all God created you to be from the foundation of the world, amen.”
