

Stand on the Spiritual Authority prayer: (Keep Forgiveness and separation ROM 7 a consistent Practice.)

As Head of my household, I _____ choose to assume my biblical role as spiritual head over my wife _____ and children _____, and anyone else who has come under my umbrella of my divinely appointed spiritual authority. I address all forces of darkness and command that nothing is to come against any of them which does not first come through me.

I further announce to the realm of Satan and his demons that nothing is to come to me, either directly or indirectly which does not come by express permission of my head, the Lord Jesus Christ of Nazereth. In taking my place of spiritual leadership I ask the Holy Spirit to bring to any attention and all grounds for spiritual attack in my life, or in the life of my family_ to conscious knowledge and they might be Recognized, I will take Responsibility and they will be confessed, renounced and forsaken and removed! In Jesus Name! Amen!.

Stand UNDER the Spiritual Authority prayer: (Refer to Bitterness, Rejection, Separation ROM 7 a consistent Practice.)

I _____, choose to put myself under the biblical spiritual authority under my husband _____, who is my earthly spiritual head and announce to the realm of darkness that nothing is to come into my life which does not first come my divinely appointed spiritual authority _____. To whatever extent my earthly spiritual head fails in his responsibility I put myself under the ultimate headship of the Lord and Savior, Jesus Christ of Nazereth. I ask the Holy Spirit to bring to any attention and all grounds for spiritual attack in my life, or in the life of my family_ to conscious knowledge and I choose to repent of any sins, attitudes or habits, including criticism of my head, which take me out from under his spiritual authority. As I recognize my sins, they will be confessed, recognized, renounced and forsaken, repent and removed! In Jesus Name! Amen!.

Any number of these spiritual root issues may be generational iniquities, meaning that the same spiritual root issues were present in the father or mother or grandparents even though they might not have had the disease.
