

Stop Astral Projection Coming into Your House

If a client is having trouble with Astral Projection, he needs to check to make sure he has nothing in the house attracting or giving legal right to the witchcraft. Also, check their form if they have participated or their family tree if they have participated in new age, witchcraft, or secret societies. If they have, find out, get them to repent. Demons will play tricks and make you think someone is astral projecting into their home.

Take the time to anoint your house (anointing all your doors, windows, TV, electrical plugs, mirrors, attack door, and chimney). You may need to do the house cleansing checklist for anything that gives it the legal right to come into your home.

Father God, in the name of Jesus Christ of Nazareth, I take this anointed oil and seal off and close all portals into my home, in the name of Jesus Christ of Nazareth.

Father God, in the name of Jesus Christ of Nazareth, I take the used sword of the lord to sever demonic ties between spirits and souls, ley lines (lines of energy / telepathic communication), and silver chords (astral projection/soul travel /bilocation) of anyone who would travel into his/her presence through communications, crystal balls, or by their souls and spirits. We break demonic balls, cords, bowls, pitchers, and wheels used against _____.

Father God, in the name of Jesus Christ of Nazareth, we ask GOD to shield my house from attacks on demonic human souls and spirits and to destroy the forces of evil.

Father God, we proclaim, declare, and agree with the holy word of God and ask god to fulfill his word. God will cause the wicked to be ashes under your feet. We claim the land back for the lord, in the name of Jesus Christ of Nazareth. Amen
