

CHAKRA RENUNCIATION PRAYER

Chakras are where the serpent spirits, occult spirits, and witchcraft can cause torment and have legal right. The client is going to have a lot of torment – hear voices inside and out.

I renounce the colors of the Chakra Wheel and now sever my family and myself from every color of this wheel, i.e.:

- a) Red-earth chakra. -genetic coding, instincts.
- b) Orange -moon chakra -sex drive, fertility.
- c) Yellow -sun chakra -personal power.
- d) Greenheart center of astral light.
- e) Blue -controlling time.
- f) Violet -the arts, music, poetry, dance, drama, literature, and sciences.
- g) White center through which the soul leaves the body in astral projection.

4. Any cure by means of Auras, the pendulum, bells, or the so-called “ghong”.

Father God, in the Name of Jesus Christ of Nazareth, I now also repent and renounce the **KUNDALINI SERPENT** (Hindu snake-god) **lying curled up with its tail in its mouth**, its 3,5 coils being connected to the human spine. I ask forgiveness for having believed in this kundalini force and ask You to sever me from this force.

I also ask Your forgiveness for having given this kundalini force control over my body by practicing the various Yoga positions.

Father God, in the Name of Jesus Christ of Nazareth, I now take up the Sword of the Holy Spirit and sever my family and myself from this kundalini force. I also repent and renounce **SHAKTI** and **SHIVA** whose union awakens the Kundalini force.

In the name of Jesus, I now **separate and isolate Shakti, Shiva, and the Kundalini** serpent and command them to leave me right now. I also chase away their gatekeepers, tear up all their commission papers and cancel all their instructions. Father, would You now please close these doors and seal them with the Blood of Jesus. In the Name of Jesus Christ of Nazareth, I now sever any soul tie with these three evil forces.

I repent and renounce all the following Hindu and other ideologies and doctrines and ask You to forgive me and my family for having believed in them:

1. That salvation is possible only when a person, being aided by a Guru, comes to the realization that he is God within himself.
2. That reincarnation is a way of becoming one with the universe. This is possible only when the **ATMAN** (spark) within oneself unites with **BRAHMAN** (fire).
3. Punctual performance of **SURYA NAMASKAR** exercises (sun-worship) at fixed times in order to pacify the sun god.

I ask forgiveness for having performed any of these series of exercises or bodily positions at sunrise.

4. I repent and renounce any form of **Yoga** to reach unification with the **Hindu gods** - salvation being impossible without this unification.
5. I repent and renounce man's inability to escape the **MOKSA/KARMA** wheel of reincarnation. I admit that there can be no forgiveness in Karma since we can only obtain forgiveness in Jesus Christ. The state of Nirvana can never set man free from this evil cycle; only the power of Jesus' victory on the cross can do this.
6. I repent and renounce the lie that Yoga is the only way to one's own salvation. I profess Jesus Christ of Nazareth to be my only savior (**Eph. 1:7**).
7. Yoga is a mere health cure. I admit that this is a lie since Yoga provides the basis for achieving salvation in Hinduism. In the Name of Jesus, I now repent and renounce any lying and deceiving spirit and command them to leave me right now.
8. I repent and renounce the lie that Yoga is the only road to perfect peace. I profess that we can only have True Peace in Jesus Christ (**Rom 5:1**).
9. Yoga is not a religion. I admit that it is indeed a religious system, the basis of Hinduism.

I admit that Yoga has the following objectives - thus being an abomination in the Eyes of God:

- a. Creating an open door for satanic influences, e.g., the teaching that there is neither heaven nor hell - these being mere products of the mind/emotions.
- b. Establishing contact with the Hindu god Brahman.
- c. Achieving union with Brahman through the repetition of prescribed mantras (prayers).
- d. Giving worship and glory to the Hindu gods by means of various positions of the body, e.g. the lotus, cat, cobra, peacock, cow, plow, fish, and camel rider, all of these directed at union with the kundalini serpent.

I repent and renounce all bodily positions by which I have given honor and worship to the Hindu gods – false deities. Would you now please delete any such worship in the spirit world so that it can no longer bear witness against me?

- e. Establishing contact with all Hindu spirits by means of Yoga.
- f. Liberating the spirit body from the restrictions of the physical body.
- g. Opening the human spirit for the cosmic spirit KI/CHI by means of Yoga breathing techniques.
- h. Using any of the following for the awakening of the Hindu spirits, i.e., Yoga, biorhythm, alpha and beta brain waves, homeopathy, acupuncture, holism, reflexology, and aromatherapy.

I repent and renounce all the above objectives and turn my back on them. In the spirit, I now walk away from Hinduism, its gods, and its idols and ask that You for once and for all burn the bridge of Hinduism behind me in the Name of Jesus.

I renounce all the following forms of Yoga, i e:

1. HATHA YOGA - bodily positions and breathing techniques.
2. KUNDALINI YOGA awakening the Kundalini force and false healings.
3. TANTRA - perversion in the sexual area.
4. KARMA YOGA - correct actions, denial of self.
5. BHAKTI YOGA.
6. JNANA YOGA - wisdom and the study of scriptures.
7. RAJA YOGA - meditation and philosophy.
8. INTEGRAL YOGA.
9. PATANJALI YOGA - using textbooks.

I repent and renounce any bodily positions or breathing techniques (ASANAS and PRANAYAMA) of Yoga to awaken the "Vital Energy" (demonic powers) and now sever my family and myself from all these things in the Name of Jesus Christ of Nazareth.

I repent and renounce the following roots of Hinduism and ask You to let them shrivel up and burn them with Your consuming fire.

1. Ascetism.
2. Meditation.
3. Physical breathing techniques.
4. Astral projection.

I repent and renounce any form of sorcery, mind control, fire worship, black art (Lamas), trance states, zombies, Alants, Maccumbas, Voodooism, Gurus, and all their rituals and teachings. In the Name of Jesus Christ of Nazareth, I sever any possible soul ties with any of these people and ask You to restore me to a right relationship with You. I ask forgiveness for my involvement in any of these things.

I also dissociate myself from the objective of meditation, that is: Eliminating the bad Karma in the subconscious and cleansing the mind of all negative thoughts of guilt; cultivating a super consciousness making me a god in my own right, determining my own destiny.

I profess that only the Blood of Jesus cleanses me of sin (**1 John 1:7**).

In the Name of Jesus, I repent and renounce any Hindu rituals and specifically the following:

The Initiation ritual - placing 6 flowers (representing life), 3 pieces of fruit (representing the seed of life), and a white handkerchief (representing purification of the spirit) on a table in front of a photograph of Shri Guru Dav, while another Guru is singing a song (Puja, VEDI) in praise of the deceased masters.

I repent and renounce the secret mantra that was given to me and ask You in the Name of Jesus

to send Your consuming fire to burn this word from my memory. I admit that Hindu meditation represents the following evil works:

- a. Self-hypnosis.
- b. Deification of the self.
- c. Exalting natural, earthly religion to the level of the Divine.
- d. That it is in fact a demonic deception, a heresy, and a lie.

Finally, I also renounce the following teachings of Hinduism:

1. That the ego of man is TRANSCENDENT and IMMANENT, having no beginning or end, no birth, and no death. Practicing Yoga is the synthesis of the physical and the metaphysical world. I also renounce any form of mysticism, the occult, and sorcery in Hinduism in the Name of Jesus.
1. I reject all the phases of Yoga, i.e. controlling the body and subconscious, controlling the subconscious and blood circulation, mastering any natural forces, mastering black arts and sorcery.
2. I repent and renounce any form of biofeedback, Silva Mind-control, TM, Yoga, mantras and breathing techniques, mind control, self-hypnosis, hypnosis, ESP, any spiritist activities, any form of clairvoyance, Yoga fitness tapes, any form of visualization and meditation, and astral projection. I ask You to forgive me and my family for our involvement in any of these, in the Name of Jesus Christ of Nazareth.

In the Name of Jesus Christ of Nazareth, I now turn my back on these works of Satan. I claim back my territory, tear up any contracts with Satan and decommission any gatekeepers in the Name of Jesus. I now walk away from any Hindu idols, doctrines, altars, rituals, and practices and surrender myself completely to the Lordship of God the Father, His Son Jesus Christ, and the Holy Spirit. Today I make an irreversible and binding decision to submit myself, spirit, body, and soul, to the rulership of the Kingdom of God - the Kingdom of Truth, that is Jesus Christ of Nazareth. I now choose to trust Him as my personal Lord and Savior.

AMEN
