

Kundalini Prayer

Note: Closing Chakras: if they have vibrations, fire feelings, chills, weird sensations, and feel things move around them. They have done Kundalini Yoga, the Wrong type of meditation where they went into an altered state of consciousness. This can also be transferred by others and can be activated through trauma.

Father God, in the name of Jesus Christ of Nazareth I come to your Throne Room to petition and confession of my sins against You which gave legal right to Satan to execute judgment against me. I repent and renounce for me and my generations before me on both sides of my family back to Adam and Eve for involvement with Kundalini Yoga, false meditations, going into an altered state of consciousness to have visions and dreams, and secret knowledge from false deities. Father God in the name of Jesus Christ of Nazareth, I also ask You, to break every **Kundalini fire seal** that was placed upon me to lock me up, to stop me from gaining Godly knowledge and

power, and to keep me enslaved and ignorant. Where these windows have been:
