

Generational Curses Prayer

Father God, in the name of Jesus Christ of Nazareth, I present my case to you today, standing in the gap of my ancestors on both sides of my family back to Adam and Eve for their sins. Your Word says that the forefathers' sins go back 3 to 4 generations. Satan has a legal right to execute judgment because of my participation. I stand in the gap, repenting and asking forgiveness pertaining to the repercussions of sins to remove curses, strongholds, sickness, and disease from sin of sins.

Father God I renounce in my generations and repent for any of my parts for the following:

Father God, in the name of Jesus Christ of Nazareth, I forgive those that failed to reach out to me when I was hurting. I forgive those that have intentionally caused hurt and pain to me and my family, and those that have done it unintentionally. I ask You to bless, heal and deliver those that have acted in ways that have hurt me or caused harm to me or my family.

Come and deliver me and my family from all demonic spirits that have come as a result of a curse. I ask that You deliver me and my family from every affliction, illness, disease, allergy, or physical condition that has affected us. I ask You to restore all the years that the enemy has stolen. Let finances, health, and relationships be restored. Let peace, joy, mental health, and emotional stability be restored. Let the blessings that have been held back, stolen, and hidden by the enemy be released into my hands now, in Jesus name.
