

Information on Sex Magic and Tantra

Right from the start it is important to remember that the occult always perverts or does the opposite of GOD's truth.

Sex was created by GOD to serve as:

- a spiritual union between a man and a woman,
- a sacred act between two people of the opposite sex, unified in marriage,
- a way of expressing love,
- a way of procreating.

Sex magic is about:

- expressing and liberating consciousness,
- reaching altered states of consciousness,
- spiritualizing sexuality,
- achieving “unity” with universal life energies, cosmic powers and the “divine”,
- connecting to other dimensions,
- using the mind to achieve “psychic” power through the power of orgasm,
- releasing sexual energy and harnessing Kundalini,
- primal and creative energy being taped into.

Sex as the act GOD created and sex through tantra (sex magic) are poles apart. Sex magic has its base or roots in Tantra, much in the same way as numerology is based in Cabala.

When all is said and done, remember that all magic, sexual or otherwise, is witchcraft and witchcraft is an abomination. This power has to do with Eastern religions – meditation, yoga, karate, etc. It is a so-called “**white serpent**” that is **coiled up at the base of the spine** in the **base chakra** and gets awakened when practicing these above arts. When Christians have not renounced their involvement, they usually suffer **lower back problems** among many other things.

In Eastern religions, the conscious creation and stimulation of sexual energy are known as Tantra. The idea of Tantric sex is to stimulate the sexual energy held in the base of the spine, the Kundalini energy as it has become known.

This was symbolized as **uncurling serpents** and in Tantra, the participants control and delay **orgasm** to transform the kundalini from its original state (ching) into higher energy (ch'i) and finally its highest expression (shen).

Stimulating the kundalini is described as ‘**lighting the inner fire**’. Tantra is designed to complete this process in a more controlled way. Once the Kundalini is awakened, you have a

constant supply of enormously powerful energy with which to create whatever you choose. The **satanists** use **sex** as a fundamental part of their ritual so they can tap this sexual, kundalini force, for their horrendous purposes.

Sex magic comes in many forms and guises, hidden beneath **Hindu** and **New Age** mumbo-jumbo, and to understand sex magic you are going to have to understand its roots in Tantra.

In reality, there is a much darker truth beneath what the **Tantric Masters** are teaching. Yoga, meditation, concentrating on “emptiness, mantras, and emptying the mind of thought all lead to altered states of consciousness.

An altered state of consciousness is like **self-hypnosis** or the opening of the spirit to **cosmic forces**. It creates a gateway to the soul. It sets the practitioner up for soul control and demon possession.

You do not achieve **Nirvana** or paradise.

You do not unite with “god”.

You do not “evolve” into higher karma or improve your reincarnation.

You do not reach a higher level of consciousness or evolution.

You get possessed!!!!

You get trapped.

You get pulled into an occultic web.

You think you have tapped into cosmic powers.

You think you have enlightened your spirit.

You think you have united with the “divine”.

You are sadly mistaken and about to be horribly disillusioned.

You are not a sex magician, you are practicing witchcraft, an abomination.
unto the LORD.

You do not have sexual power; you are being controlled by powers. You are being controlled and used by Satan to achieve his purposes. Tantra would have us believe that sex magic is pure and holy. There are various ways of using sex magic, and all of them are evil.

Sex magic is used by Satan to create:

- soul control.
- soul ties.
- transference of spirits.

Sex magic is about:

- using sex as a weapon.
- tapping into cosmic powers to achieve your own end.
- bewitching your partner.
- tapping strength from your partner.
- enforcing dominance over your partner’s spirit.
- subduing and controlling your partner to achieve ranking.

- using “sacred orgasm” to generate power for magic.
- entering someone else’s very soul.

Examples mentioned previously:

- sleeping with a medium to access the demons she uses to “see” things.
- using visualization and fantasy to “hex” someone.
- controlling and manipulating your targets marriage.
- overpowering an occultic rival in the ranking struggle.
- finding a gateway into your targets sub-conscious mind.
