

Sexual & Incest Prayer

Instructions: Have them forgive those who sexual abused them.

Talk to them first to tell their story of abuse. Listen closely to see if they have self-blame. Also, see if they freeze if telling the story. Find out what age this happened to them and if it was more than once.

Why, because a child will disassociate if sexually abused before the age of seven years of age especially if it happened several times.

Ask them if they have been sexually abused by a lot of men. If so do the soul tie prayer after this prayer...

Ask them if they ever hear voices or if they have a fear of men or lose time.
