

Types of Sexual Sins List

Flee from sexual immorality. All other sins a person commits are outside the body, but whoever sins sexually sins against their own body. —1 Corinthians 6:18

In a similar way, Sodom and Gomorrah and the surrounding towns gave themselves up to sexual immorality and perversion. They serve as an example of those who suffer the punishment of eternal fire.--Jude 1:7

Definition of Fetish: a form of sexual desire in which gratification depends to an abnormal degree on some object or item of clothing or part of the body. This list may have expanded because of the agenda today – the ...

First three most popular

- Oral Sex – Oral Sex outside of marriage is wrong. It is in no sense a biblically acceptable alternative to sexual intercourse for unmarried couples. Within the confines of marriage, oral sex is free from sin if there is mutual consent.
- Adultery – The Bible is very clear that any form of adultery is sin, even if both people in a marriage relationship agree to it. [1 Thessalonians 4:3-5](#) says, “It is God’s will that you should be sanctified: that you should avoid sexual immorality; that each of you should learn to control his own body in a way that is holy and honorable, not in passionate lust like the heathen, who do not know God.” Adultery also includes “swapping” or adding sexual partners.
- Fornication – The Bible clearly teaches that all sexual relations outside marriage are wrong in God’s eyes. The Bible bluntly says, “Flee from sexual immorality” (1 Corinthians 6:18). This includes any kind of sexual activity apart from marriage.
- Anal Sex (Sodomy) – The Bible clearly and explicitly condemns homosexuality as an immoral and unnatural sin ([Leviticus 18:22](#); [20:13](#); [Romans 1:26-27](#); [1 Corinthians 6:9](#)). And the Bible strongly condemns rape, as well ([Deuteronomy 22:25-27](#)). So, clearly, the Bible condemns sodomy in the sense of male homosexual rape. The more difficult question is whether the Bible condemns all anal sex. Even in marriage, it is still considered sodomy. You can get the following diseases: STIs (we used to call them STDs), transmission (particularly HIV), Tissue damage, and Infections.

Other Common Sexual Deviations That are Popular

- Bestiality – The Bible mentions bestiality in four different passages. [Exodus 22:19](#) says, “Anyone who has sexual relations with an animal must be put to death.” [Leviticus 18:23](#) declares, “Do not have sexual relations with an animal and defile yourself with it. A woman must not present herself to an animal to have sexual relations with it; that is a perversion.” [Leviticus 20:15-16](#) commands, “If a man has sexual relations with an animal, he must be put to death, and you must kill the animal.
- Group Sex – Married couples indulging in sex with another couple or individual with the full consent of both partners.
- Adult Babies – Adult babies are those individuals that enjoy being a baby again. They may enjoy regressing partially or completely, participating in the act of wearing diapers,

being fed by an adult, sucking on a baby bottle or pacifier, dressing up in baby clothes, crawling instead of walking and speaking in “baby” talk. Individuals interested in infantilism most likely enjoy the nurturing aspect.

- Cross Dressing – Individuals that cross-dress wear clothing and accessories of the “opposite sex.” Cross-dressing is more common than you might think, predominantly affecting heterosexual and gay men.
- Sex Roll Play – Sexual role-play involves two or more individuals acting out different roles in a sexual scenario. It can be any type of sexual fantasy. It may be as involved as the participating individuals wish.
- Domination and Submission (BDSM) – A modern acronym used to refer to the kink and fetish communities and activities. Letters stand for many different things, including “Bondage and Discipline,” “Dominance and Submission,” “Sadomasochism,” “Sadism and Masochism,” and “Slave/Master.”
- Homosexuality/Lesbianism – Some are under the assumption that, while the Bible condemns gay sex between men, it nowhere condemns being a lesbian/lesbianism. [Leviticus 18:22](#) and [20:13](#) mention men having sex with other men, but say nothing of women having sex with other women. In the Sodom and Gomorrah account in [Genesis 19](#), the men of the cities wanted to gang rape other men. [First Corinthians 6:9](#) mentions effeminate men, very likely referring to homosexuals but does not mention lesbians. So, does the Bible in fact condemn male homosexuality, but not lesbianism?
- Voyeurism and Exhibitionism – men/women watching sex or exposing themselves in public. Studies show that men are more voyeuristic than women with 12 percent of men being aroused while watching sexual acts compared to 4 percent of women. As demonstrated by the adult entertainment industry, 80 percent of their audience is men.
- Exhibitionism – Although exposing yourself and having sex in public is illegal, as a society, we seem to almost encourage it with the existence of nude beaches, fetish clubs, and even certain festivals such as Mardi Gras, where women are encouraged to flash their breasts for beads and trinkets.
