

Hare Krishna Renunciation Prayer

Father God, in the name of Jesus Christ of Nazareth I come to your throne Room to petition my confession of sins against you which gave legal right to Satan to execute judgment against me. I repent and renounce my involvement with a false religion, Hare Krishna of Iskcon (International Society for Krishna Consciousness), all forms of Hinduism and Hare Krishna teachings and beliefs. I also stand in the gap of my generation and repent and renounce all generational curses because of anyone on both sides of my family who was involved with false religions or did not serve you.

Father God, in the name of Jesus Christ of Nazareth, I renounce this false religion and turn my back on everything represented by it, in the Name of Jesus.

I renounce Chaitanya Mahaprabhu, the founder of ISKCON, as well as all of his ungodly teachings and doctrines. In the Name of Jesus, I now sever any soul tie with him. I turn my back on him and everything represented by him. I renounce every Guru, every false doctrine, and every ritual, as well as any connection to Hinduism and Hare Krishna.

I renounce the Hindu Deity and false Trinity, i e Brahma, Vishnu, and Shiva. I also renounce Krishna as being the supreme god manifesting himself as Vishnu. In the Name of Jesus I now take back my territory from Satan and tear up any contracts with him, Hinduism and Hare Krishna. I declare Jesus Christ of Nazareth to be the only King and Ruler of my life.

I sever any soul tie with Abhay Charan de Bhaktivedante Swami Prabhupada as well as any other leader, Gurus of the Hare Krishna movement and renounce everything represented by them, in the Name of Jesus.

I renounce the belief and teachings in the following way:

1. That there is no distinction between the Creator and the creation. That all is one and one is all. That everything is God and God is in everything.
2. That there is only one Supreme Being, i e Narayana, or Krishna, who created everything.
3. That all other gods are unlimited extensions of Krishna, who is the original god.
4. The Bhagavad Gita, which is regarded as a holy book.
5. That Jesus Christ is not God, but merely a son of Krishna.
6. that Krishna is the Supreme God communicating with his followers on a personal level. This communication is only possible by means of repeated chants or "San Kirtana".

I renounce the following mantra: "Hare Krishna, Hare Krishna, Hare Krishna, Hare Roma, Hare Roma, Hare, Hare, Hare" as well as the word "Om" (sun-god).

1. The temple in Durban, i e the Sri-Sri Radha-Rhadhanath or Temple of Understanding, as well as any other temples of Hare Krishna.
2. Krishna being the Supreme God, with Shiva, Vishnu and Brahman being the personification of Krishna.

3. Every image and idol being worshipped in the Hare Krishna temples, including Krishna and his concubine Rhada, Swami Prabhupadha and any other image or idol.
4. Any rituals related to Krishna, e g bathing, clothing and feeding images or idols (Images and idols are bathed in rose-water, milk and the urine of cows, which is then drunk as holy water).
5. That Jesus Christ was actually Krishna as well as Jesus; that he was a Guru who taught people a God-awareness, therefore also being a spiritual teacher.
6. That the Bible and the Koran are true Scriptures, having been distorted by translations.
7. The Hare Krishna magazine, viz "Back to the Godhead".
8. That Salvation/Redemption involves acquiring an awareness of Krishna and reaching nirvana.
9. Salvation/Redemption can only be acquired by endless chants and dedications to Krishna
10. Any form of chanting, as well as the rosary, which is used in the process.
11. Any form of self-denial and sacrifice for the sake of Krishna.
12. Any form of reincarnation. (It was appointed for men to die once - Heb 9:27.)
13. The prescribed life-style for Hare Krishnas in order to reach an awareness of Krishna. Any form of vegetarianism.
14. That marriage is merely a necessary evil, sex being only in aid of procreation.
15. That married couples may only have intercourse once a month, and then only when the woman is most likely to conceive – sex being only for the purpose of procreation
16. Prescribed chants which have to be repeated 50x per bead before intercourse.
17. The propagation of total abstinence from sex.
18. Wearing prescribed clothing (Saffrons), or shaving the head in the case of men. *The small ponytail by which Krishna pulls them up to heaven.*
19. The "V"-sign on the forehead identifying followers of Krishna.
20. That there are various roads to salvation, and Jesus not being the only way to heaven.
21. Every Temple President, as well as the governing body of 12.
22. That Jesus had been a devout follower of Krishna and had come from another planet.
23. That men are superior to women.
24. That any action being taken in the name of Krishna can never be bad, since Krishna is above good or bad.
