

SCIENTOLOGY PRAYER OF RENUNCIATION

I repent, renounce, and reject in the Name of Jesus Christ of Nazareth, the following doctrines of the Church of Scientology:

a) That man consists of four parts:

- (i) Thetan (pronounced Thayton), the immortal spirit who can reincarnate
- (ii) A physical body
- (iii) An analytical mind
- (iv) An unconscious mind and that Thetan is in total control of the complete person and capable of generating tremendous power.

b) I repent, renounce, and reject the teaching that Thetan is responsible for the creation of the universe. The belief is that through time Thayton became so caught up in his own creation that his true greatness was forgotten and now it is only through the teaching of Scientology that Thetan can once again become conscious of its own potential.

c) That man has a physical body and that Thetan enters the body through conception.

d) When Thetan enters the body, all these *engrams*, which have been contained during all the millenniums of evolution, are received with it (Thetan).

e) That life is founded on the principle of survival.

I repent, renounce, and reject the doctrine of Scientology that a person's intellectual abilities and knowledge of himself are improved by Scientology.

I repent, renounce, and reject the healing of sickness through *dianetics*, the modern science of spiritual health. (A do-it-yourself manual for spiritual health.)

I believe that Jesus Christ of Nazareth is the Great Healer. I repent, renounce, and reject the objective of all Scientologists to become *A Clear*. (The desire to be *A Clear* is to have an IQ of 135, the highest creative vitality, deepest relaxation, and renewed memory.)

I reject the 7 grades of attaining *A Clear* through progressive courses.

I turn away from all these levels and return them to Satan.

I also reject and renounce the following 8 grades known as *Operating Thetan* and return these levels to Satan.

I cut all **soul ties** with my advisor or counselor with the sword of the Holy Spirit and rejected and renounce every session I had with him to overcome all sensitive inner parts of my life.

I repent, renounce, and reject the use of the E metre (Electro psycho metre), which my counselor used to measure my stress levels.

I repent, renounce, and reject the theory that man is fundamentally good and that the cause of all his problems lies in past experiences. I acknowledge that man was created in the image of God but was separated from God through the fall into sin, following his own will, and is, therefore, open to sin.

I reject the theory that it is only through Scientology that every man's problem can be solved. I repent, renounce, and reject this doctrine and declare that complete salvation is only possible through Jesus Christ of Nazareth. His death on the Cross of Golgotha bought redemption and salvation for me. He alone died for my sins so that I might stand before God in His righteousness.

I repent, renounce, and reject the belief that salvation comes only through the paid sessions that I had with my Scientology advisor. I believe and declare that salvation is a gift, a gift of grace from God for all who believe in His Son, Jesus Christ of Nazareth.

I cut all soul ties with **L.R. Hubbard**, the founder of the Scientology religion. I declare myself to belong to Jesus Christ, God the Father, and the Holy Spirit, body soul, and spirit. I repent, renounce, and reject all **ungodly baptisms**, weddings, funeral rituals, and **every other ritual** and belief that I am not aware of. I declared **divorce** from Scientology and returned all rings, jewelry, and mantels, as well as all ungodly levels, ranks, and grades I attained.

I repent, renounce, and reject the statement that Scientology enables man to become more conscious of himself and of God. I declare that the way to God lies not in myself but in Jesus Christ alone.

Thank You for Your forgiveness. As a believer and through the authority of the Blood of Jesus and by the yoke destroying the power of the Holy Spirit, I now command every spirit of deception, of power of water, of the ancient serpent and of the antichrist and every demon with Scientology to release me in the Name of the Lord Jesus Christ of Nazareth the Anointed One with His anointing, body soul and spirit. I break all curses of insanity, double-mindedness, and confusion in the Name of Jesus Christ of Nazareth.

Thank You Lord that You set me free.
AMEN! AMEN!
